Subject: RE: Follow-up to last week's call on I-70

Hi Tim, I didn't have any particular questions, but was just hoping to follow-up to see if there are any items ORC can assist with. It sounds like the draft email is on its way, however, so there might not be anything in particular for now. I'll check with Carol to see if there were any NEPA issues. If not, I'll go ahead and cancel the meeting.

Thanks Tim!
Mai
